It is my pleasure to have met and Know Roger and Pat
Howes . They are Life members of the NCPOA.

I had received this copy of the Summons for AVCM Roger Howes when he made Chief. It reminded me as it might you how the Tradition has changed.

Roger was 20 years old when he received his Draft notice the day before He and Pat got married. He was able to chose the Navy and began his career on November 11,1952 (ARMISTICE DAY) known now as Veterans Day. He attended Boot Camp at the San Deigo Recruit Depot. He made Chief Petty Officer November 1962. Roger retired as AVCM Roger Howes on June 14,1974 (Flag Day)

From: Loyal Proven Chief Petty Officers, a High Tribunal of Neptunis Rex
Ruler of the Raging Main and Skies above

TO: Howes, Roger E. 441 26 51 AMHCA

An imposture! One who masquerades as a True Chief Petty Officer

SUBJ: Insurance of a SUMMONS to the lowly one addressed , who is so foul in thoughts and deeds that the justice must be done indeed.

1. Neptunia Rex, Ruler of the Raging Maine, his court of Beautiful Mermaids, Sea Sirenes, the Court Jester and Honorable Davy Jones are sorely troubled and there in consternation in the Royal Palace. All this is a result of one lowly lubber, addressed above, who professes respect for his the honorable mariners of all time, yet has conducted himself in a manner that brings brave pirates to soleman continence, a crime to all Mariners, Honorable or Dishonorable be there mein !

2. The High Tribunal of proven Chief Petty Officers in good ship KITTY HAWK are appointed and herewith issue summons to this lowly scavenger of the high seas. You will come before the Royal Court, one of low thoughts and deeds at the time so indicated and answer charges submitted some of which are listed hereafter.

1. Did buy CPO uniforms in Yokosuka Japan. Left them there and than had an officer (USN) get them and fly them aboard the ship.

2. Attempting to bribe a permanent CPO by bringing 4 eggs and a bacon sandwich to work from 1st Class Mess

3. Sold white hat uniforms for large sums of monies. Said uniforms were originally purchased at the Goodwill in San Deigo Calif.

4. Begging and attempting bribery into getting on the NAHA, Okinawa Bingo crew in order to evade CPO Initiations.

3. You will appear before this High Tribunal on the 16th day of the month Nov.1962 A.D. at 1230 hour of the day. Action must and will be taken !!!!!

4. The uniform you must wear is prescribed: CPO cap with khaki cover, stern forward, khaki shirt with buttons down the stern post, where your apron would be if you had one; the traditional black tie that identifies sailors from lubberly soldiers will be a black bow, unless you prefer to have a fore-in-hand cut short; wear khaki trousers with the port pockets in the starboard and visa versa. Your manner must be of solemn respect as this August Body will brook no smirks, sneers or thumbing of this proboscis when in session. This is a milestone for such of your favor-currying kind.

5. You have been summoned, informed of the grave charges pending and hereby warned that it is necessary for you to call upon any intestinal fortitude possessed, finding that you have any within your trembling body, to withstand the might vigora of this High Court.

6. Guilty or Not Guilty justice will be done just the same. It is now written, recorded and delivered. BEWARE LOWLY ONE.
